A loan not exceeding £50 on account of the actual cost of the return passage from England was sanctioned to Mr D.S. Puttanna in G.O. No. 4842-31 Edn 2-14-160 dated 17.5.15.

Mr Puttanna now urges that the loan of £.50 may be commuted into a free grant on the ground that he had to supplement the Govt grant for his studies to a great extent by borrowing from private sources and that ~~a return free passage~~ he was, in a way, entitled to a return free passage, being a holder of a foreign scholarship

Para 4 of Paper under disposal.

But these facts were before Govt when they decided that the Charges for a return passage should be given to the applicant as a loan & not as a free grant. (Vide paras 17-41 of the Office rules page 5-11 in Edn 2 of 1914)

(7) Mr. Subba Rao was given passage money for the journey and the only difference between him and Mr. Puttanna is that the latter went of his own accord and at his own expense to begin with. This circumstance is, if any-thing, a recommendation for writing off the loan as he has incurred heavy expenditure on acccunt of his studies. It will be seen from the notes (para 24) in Education File No.2 of 1914 that Mr. Kailasam who was granted a scholarship after he had gone to England of his own accord was given travelling fare for his return journey. For writing off the loan, there is a strong precedent in the case of Mr. Ranga Rao who was excused so large a sum as £ 200.

(8) It is seen that the Second Member has already noted in File No.60 of 1916 that the loan may be written off. The matter may perhaps be considered at a meeting of the Council.

Final Note by the Second Member of Council.

Subject:—

Question of writing off the loan of £.50 given to Mr. D.S. Puttanna, on account of his return passage charges.

---

(17) Mr. D.S. Puttanna, a foreign scholarship holder having represented that the loan of £.50 granted to him in Government Order No.4842-43/Edn.2-14-160 dated 17th May 1915 may be treated as a free grant towards his return passage, the matter was considered in Council on the 19th April 1917 when it was resolved that the question may be considered in the light of precedents. On examination it is found that a loan of £.200/-, given to Mr. Ranga Rao, Deputy Registrar of Co-operative Societies under somewhat similar circumstances, was ordered to be written off the accounts. In the light of this precedent and in view of the fact that foreign scholarship holders from the State are usually given travelling fare for return journey from foreign countries, the Council recommend that the loan may be written off the accounts as a special case.

(18) The recommendation may be approved.

Member of Council.

9th August 1917.

Submitted to His Highness.

A (1) I submit herewith a Final Note by the Second Member of Council on the subject of writing off the loan of £50 given to Mr. D.S. Puttanna on account of charges for his return passage for His Highness' gracious approval.

K (2) 2. The practice of giving a loan in expectation of repayment and then, when an appeal is made, of writing off the same, is harmful to business understanding and has often a demoralizing influence. People will apply for a loan feeling that it may one day be written off, if they are only sufficiently insistent. In this particular case the precedent quoted is five and a half years old.

M (3) As a very special case, the recommendation of the Council may be approved.
